ULTRAprime

Highly Moisture Resistant (HMR) MDF Mouldings

Australian Made

Made from high quality sustainably managed Radiata Pine.

Highly Moisture Resistant (HMR)

Meets Australian Standards for Moisture Resistance.

Ultra Low Emissions (E0)

The NEW standard for ULTRA performance.

ULTRAprime™ Mouldings and Architraves are produced from premium grade HMR CUSTOMwood® MDF.

They are pre-primed and ready to use on internal decorative trims, such as door jambs and skirtings and are guaranteed not to warp, buckle or split.

ULTRAprime

MDF Mouldings
