102	Smoke	11/06/2020	Anonymous	EPA received an anonymous complaint alleging continuous emissions of smoke have been seen over the past week or so. EPA sought opinion from a third party within Oberon and they stated that there seemed to be some issue on Tuesday 9 June. EPA requested an explanation as to the cause of any smoke emissions, particularly on 9 June, and what measure if any were put in place to mitigate these emissions.	Environmental Manager (EM) investigated. Site Managers provided response: Conti 1 furnace stopped for a short period to clean vibrating grate/usual maintenance work. Upon start-up of furnace some smoke is generated as is reasonable. Advised EPA 12 June of findings. EPA responded advising they will close the complaint in their system.
103	Public pathway	20/06/2020	Fox Lane OBERON	A resident contacted Borg claiming to have had a bicycle incident due to the deviation of the cycle path at the front of Borg. He was wanting to know when the path would be reinstated.	Construction Manager advised the pathway will be reinstated within two weeks. WHSE Coordinator advised resident.
